

## **ADF and Direct Debit Giving to Deep Creek Anglican Church**

There are several ways to financially contribute to the work of the gospel through Deep Creek:

- Sunday services (through the offertory bowls / bags);
- Direct Debit into the church's ANZ Account (details below);
- Direct Debit / Credit Card giving to Deep Creek's various Anglican Development Fund (ADF) accounts, as listed below; and
- Building Fund Envelopes for the Education Building Loan or Maintenance of the Education Building (these envelopes are located in the foyer of the auditorium). Payments can be made by cash, cheque or credit card.

For those seeking to donate to the church's ADF accounts, donations can be made by either:

- filling out the ADF form, or
- by directly transferring funds into the Diocese's bank account (see details below).

### **ADF Form**

The ADF Form is located in the foyer of the Auditorium or alternatively can be emailed upon request (please contact Ashley Smith via email on [ashsmith88@hotmail.com](mailto:ashsmith88@hotmail.com)).

The ADF Form enables payments to be made once-off or periodically (eg fortnightly or monthly). Funds can be transferred from any Australian-based financial institution or via Visa Card or Master Card. In order to complete this form, you will need to nominate one of Deep Creek's ADF accounts, and provide account details (see below).

### **Direct transfer to ADF**

Funds can be directly transferred to the ADF (via the Diocese Bank Account). Please contact the Anglican Diocese prior to or as soon as possible after the transfer is made to enable the funds to be allocated to Deep Creek and your preferred Deep Creek ADF account. The relevant contact officer is Sue Swartz. Her contact details are:

- Telephone: 9653-4220
- Fax: 9653-4239
- Email: [adf@anglicanfunds.com.au](mailto:adf@anglicanfunds.com.au)

When contacting the Diocese, please have the following information at hand:

- date, time and amount of the transfer;
- the ADF account number to which the amount is to be credited.
